

# Plant Phenotyping Forum

## THE ROLE OF AUSTRIA AND EASTERN EUROPE IN AGRICULTURAL PRODUCTION

**Thursday**  
**13 Sept. 2018, 1-5pm**

**IMP - Lecture Hall**

**Campus**

**Vienna-Biocenter 1**

**1030 Vienna**

### PROGRAM

#### Talks:

**Uli Schurr**

Head, IBG-2: Plant Sciences, FZ Jülich &  
coord. ESFRI EMPHASIS project

**Marian Brestic**

Prof., Slovak Agricultural University in Nitra,  
Department of Plant Physiology (SUA)

**Jakub Jez**

Head, Plant Sciences Facility (VBCF), coord.  
Austrian Plant Phenotyping Network (APPN)

#### Registration:

[www.appn.at](http://www.appn.at)

**Lukas Spichal**

Palacky University Olomouc, coord.  
Czech Plant Phenotyping Network (CZPPN)

**Deadline: 7 Sept. 2018**

#### Panel Discussion:

**Hans-Peter Kaul**

Head, Department of Crop Sciences (BOKU)

**Pavel Hauptvogel**

Director, Research Institute of Plant Production  
(NPPC)

#### Contact

Jakub Jez

**Ivan Ingelbrecht**

Head, Plant Breeding and Genetics  
Laboratory (IAEA)

**Andreas Walter**

Operating Director, BioImaging Austria (CMI)

Vienna Biocenter Core Facilities  
Head, Plant Sciences Facility

APPN coordinator
